

WARMTH
FOR WELLBEING

STAY WARM.
STAY WELL.

Warmth for Wellbeing is here to help people on low incomes whose health is at risk from living in a cold home

Action for Warm Homes

Working for a better community

Warmth for Wellbeing

Collaboration between CCG, Council and voluntary sector
Holistic support to keep people warm at home and build
resilience for future

- **Maximise income through benefits and grants**
- **Reduce or manage debts**
- **Get cheaper fuel tariffs**
- **Reduce gas and electricity usage**
- **Draught proofing homes**
