HELP FOR CUSTOMERS STRUGGLING TO PAY

I am in debt to my water company

Payment Matching

If you agree and stick to a payment plan with your water company they may reduce (or write-off) your debt

Grants

You may be eligible for a grant to clear your debt

I have a low income and struggle to pay

Reduced Bills (Social Tariffs)

You could be eligible for a cheaper tariff which discounts your bills

I need to use a lot of water

WaterSure

Your bill could be capped if you are a metered customer receiving income-related benefits and either have a large family or a member of your household has a medical condition which uses a lot of water

I need help paying my bill

Flexible Payment Plans

Companies can offer flexible payment plans (weekly, fortnightly or monthly) and in some cases 'payment holidays' to help you through short-term financial difficulties

Water Direct

If you are in debt with your water company this gives you the option to pay your bills directly from your benefits
